

(g) Delamination of sub-continental lithosphere

Legend

FM = Fixed Moho
MM = Moving Moho
SCLM = Subcontinental lithospheric mantle
A = Asthenosphere
LAB = Lithosphere-Asthenosphere boundary
 γ = fault dip
b = fault position in 1D

t = relative model time (1, 2, Δ =duration)
↑ = motion relative to Earth surface
↗↖ = exhumation
↖↗ = sedimentary deposition
⇅ = migration of LAB 1300 °C thermal boundary
