Non-public comments to the author:

Dear Simon,

Before I send your revised manuscript out to review, it would be helpful if:

1. you merged the GitHub repository for version 2 of your software with the original repository of version 1.

I merged the two repositories into one repository and uploaded the newest version on Zenodo. The doi link is:

<https://doi.org/10.5281/zenodo.4472563>

2. you prepared a short tutorial video for novice users, whilst keeping the long specialist video that you have already made.

I prepared a short tutorial video (1-2min) explaining the basics of the software and its principles. The link to the video is <https://youtu.be/kW7TmHmI674>.

Best wishes,

Pieter Vermeesch
