Dr. Michael Dietze  
Associate Editor  
*Geochronology*

Dear Dr. Dietze,

I hereby submit the final version of gchron-2020-38 to *Geochronology*. As discussed by email, I have reverted to the original title “On the treatment of discordant detrital zircon U–Pb data”.

Sincerely yours,

A handwritten signature in blue ink, consisting of several overlapping horizontal and vertical strokes.
